

Excerpt from the examination and study regulations dated 15th May 2018 (translated):

§ 5: The list of modules offered will be updated each semester and will be posted on the notice board of the Dean's Office at the beginning of the new semester. For classes made up of 4 hours per week (in class) (6 CP) an examination (Ex) must be completed in the form of another form of assessment (...). For two classes made up of 2 hours per week (in class) (two times 3 CP) two examinations (Ex) must be completed in the form of another form of assessment (...) for each elective course. The authorised examiners will specify the form the assessment will take within the first four weeks of the official start of the lecture period.

Excerpt from the Examination procedure regulations dated 24th March 2017 (translated):

§ 3: In addition to the compulsory and required elective modules, students can choose additional modules from the entire range of courses offered by Flensburg University of Applied Sciences.
